2017 Brussels Beer Challenge

The Brewers Association Export Development Program (EDP) is designed to promote US Craft Beers in targeted global markets through trade missions, shows and competitions such as the 2017 Brussels Beer Challenge competition. The Brussels Beer Challenge, now in its 6th year, is one of the most recognized beer competitions in the world. During three days, a panel of **80 internationally renowned beer experts** judged **1,250 beers** from all corners of the world. The participating were **subdivided into categories based on origin, typology and style**, and are then tasted. At the end of the three tasting days, the **best beers in each category are awarded with a gold, silver or bronze medal**.

Among those, the following US craft beers were selected as winners combining for 6 Gold Medals, 11 Silver and 22 Bronze
